

# Customized Dashboard

Add widgets, arrange the layout, and select the information you want to see at a glance. Common widgets include account balances, recent transactions, payment due dates, and alerts.

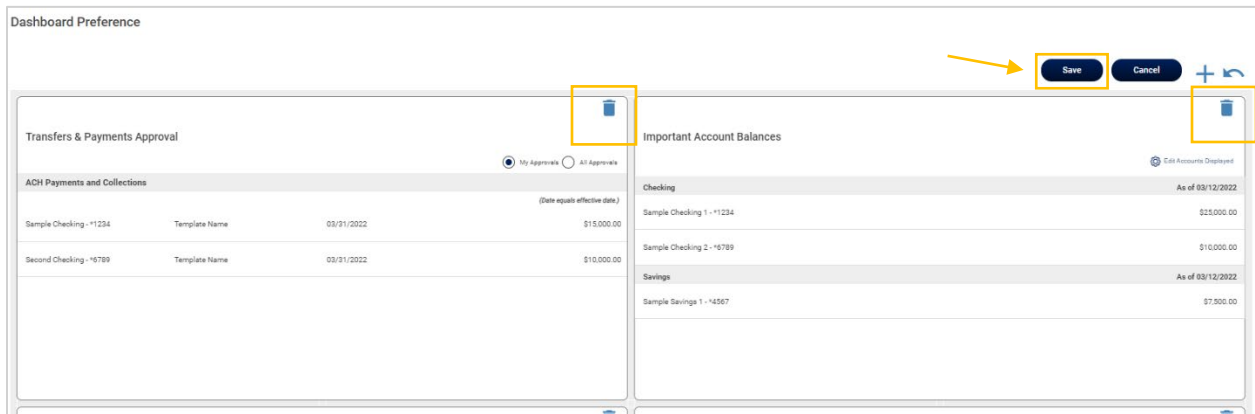

1. Look for the **display options gear** and click on it.  **Display Options**

2. Select the **widgets** or elements you want to **add or remove** from your dashboard.

3. Drag and drop widgets to rearrange them on your dashboard.

4. Click **save** to complete your desired dashboard.
